Experience & Projects

Sandwich Truck Game
Visual Development Artist | Environment Artist
Independent Game Project | Four-Person Team | Playable Demo | 2026
Software: Photoshop
• Developed visual direction for a stylized cooking game featuring a fantasy sandwich truck and cat deity.
• Designed environments, props, character assets, title screens, and key art for a playable demo.
• Collaborated with a four-person team to establish the game's visual style and asset direction.

Elven Village
Environment Concept Artist
Senior Grad Project | ArtCenter College of Design | 2026
Software: Photoshop, Blender
• Designed a fantasy settlement focused on architecture, worldbuilding, lighting, and environmental storytelling.
• Built Blender blockouts for perspective, scale, composition, and architectural development.
• Created final environment paintings through a 3D-assisted Photoshop workflow.

Eva Annie
Illustrator
Personal Narrative Illustration Project | 2023–2025
Software: Photoshop
• Created a narrative illustration series exploring the relationship between Eva and Annie.
• Used color, lighting, composition, and atmosphere to support character-driven storytelling.
